**Online Industry Expert Lecture on**  
**“Pre-Post formulation and evaluation test: Analytical Perspective”**

Speaker: Dr. Amit Jalinder Kasabe

(Director- Aster Analytical Research Institute, Pune)

Wednesday, 28 December, 2022 Time: - 11.30 am to 1.00 pm

**Activity Report**

**Name of the event:**

Industry Expert Lecture

**Subject of the lecture:**

Pre-Post formulation and evaluation test: Analytical Perspective

**Outcomes expected from the program:**

Participants will be able

- 1) To develop Industry research culture in academic domain
- 2) To understand all evaluation test performed during research
- 3) To apply innovative knowledge development

**POs mapped:**

PO1: pharmacy knowledge  
PO3: problem analysis  
PO4: Modern tool usage  
PO9: The Pharmacist & Society  
PO10: Environment & sustainability  
PO11: Life – Long learning

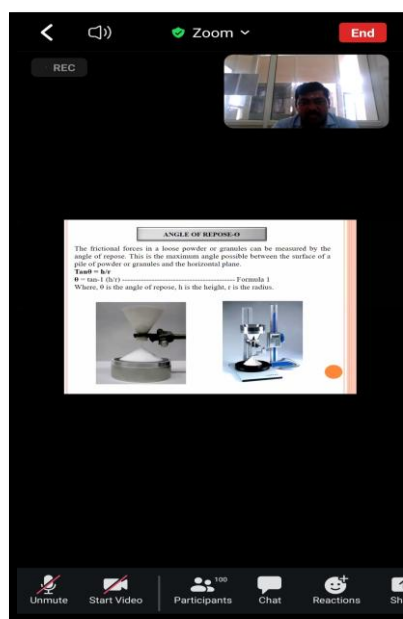

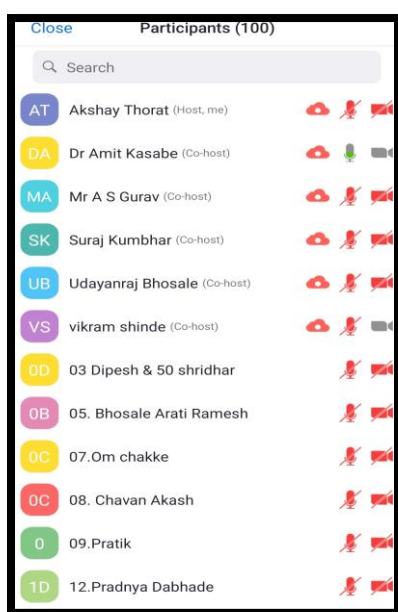

**Competencies mapped:**

PC5: Expertise on Medications  
PC6: Proficiency on Pharmaceutical Formulations  
PC7: Entrepreneurship & Leadership  
PC9: Professional, Ethical and Legal Practice  
PC10: Continuing Professional Development.

The Online Industry Expert lecture was organized for the students on 28 December 2022 classroom 02 with subject “Pre-Post formulation and evaluation test: Analytical Perspective”. Mr. V. R. Shinde, Campus Director, welcomed the guest. The guest Dr. Amit Kasabe, M. Pharm

Ph.D. is currently working as Director of Aster Analytical Research Institute, Pune and Associate Professor at Shankarrao Ursal Pharmacy College, Kharadi Pune. Mr. Udaynraj Bhosale student of DCP-II give brief introduction of guest, all staff members and students of B. Pharm & D. Pharm, LADCMIP, Masur were promptly present during a session by online mode.

Dr. Kasabe sir explained the all pre and post evaluation study of formulation with online demo. The students very easily seemed to gain the lecture. The session was designed to recognize the students about developing their Industry Analytical research domain. The program helped to improve the students' knowledge of analytical work in various fields. All students attended the lecture with due response and curiosity. The students shared the queries about the subject. The participants shared their feedback during the session. Finally, Mr. A. A. Thorat Program coordinator delivered vote of thanks.
